# DEAR FOURTH GRADE FAMILIES,

In 4th grade, your student will be learning the recorder as part of the Moraine music class curriculum. This is a fantastic hands-on learning experience!

**Recorders for the year will cost \$5.** Please send cash in a **marked envelope** or a check made out to Moraine Elementary School with your student during their next music class. Additional recorders, should your student wish to purchase an extra for at-home use, can be purchased for \$3.

It is your student's responsibility to bring his/her recorder home to practice and back to school for every music class throughout the year - students will be graded both on participation and their performance on their recorders. Students who fail to bring their recorders to class will receive a zero for the day. Lost or broken recorders will need to be replaced for \$3.

Please sign and return the bottom portion of this letter. Your student will not receive his/her recorder and music until payment has been returned. Please feel free to contact me with any questions or concerns!

Musically yours,

Mrs. Donatelli
